HERA is endorsed by UVAC

Higher Education Reporting in Apprenticeships

A powerful insight platform created by RCU for UVAC and its members, HERA helps universities and higher education providers benchmark performance and grow higher & degree apprenticeship provision.

By combining national apprenticeship data with intuitive dashboards, HERA supports quality assurance, business development, and strategic planning - giving you the intelligence you need to make confident, data-driven decisions.

Serving as your authoritative source for all things related to HE delivered apprenticeships. Whether you're looking for the latest participation rates, performance data, or emerging trends, HERA has you covered.

HERA is **free and exclusively available to UVAC members.**

Every UVAC member university has access to the platform, with built-in guides, and video walkthroughs to help you get the most from it quickly. RCU also provides support and advice to help you interpret the data and embed it in your strategic planning and reporting.
